Select the customer from the dropdown box or search for a person using first or last name or phone number and click View selected person or click the “Create a new person record” if the customer has not made a reservation before.

The image displays two screenshots of a web application titled "reservation system". The top screenshot shows the "Add person to reservation" section. It features a navigation bar with links: Person, Band, Equipment, Inspect, Help, Logout, and Admin. Below the navigation bar, there is a section titled "Add person to reservation" with links "Create a new person record" and "Start over". Under "Select a person record", there is a dropdown menu showing "--Select a person--" and a "View selected person" button. To the right, there is a search bar labeled "Search by first name OR last name OR phone" with the text "jackson" entered and a "Search" button. The bottom screenshot shows the same interface after a search. The search bar now contains "jackson" and the "Search" button has been clicked. Below the search bar, the text "Search results for: jackson" is displayed. Two results are listed: "Andrew Jackson -" and "Michael Jackson - 706-777-5555". A mouse cursor is pointing at the "Michael Jackson" result.

Verify the customer's information is correct. Any future reservations already made for this person and any unpaid, past reservations show next to the person info. If the person has unpaid reservations, the employee must enter initials to proceed with making the reservation. Click the “Add this person to the

reservation” link.

Click the select box next to each piece of equipment the customer would like to use in the room and then click Next.

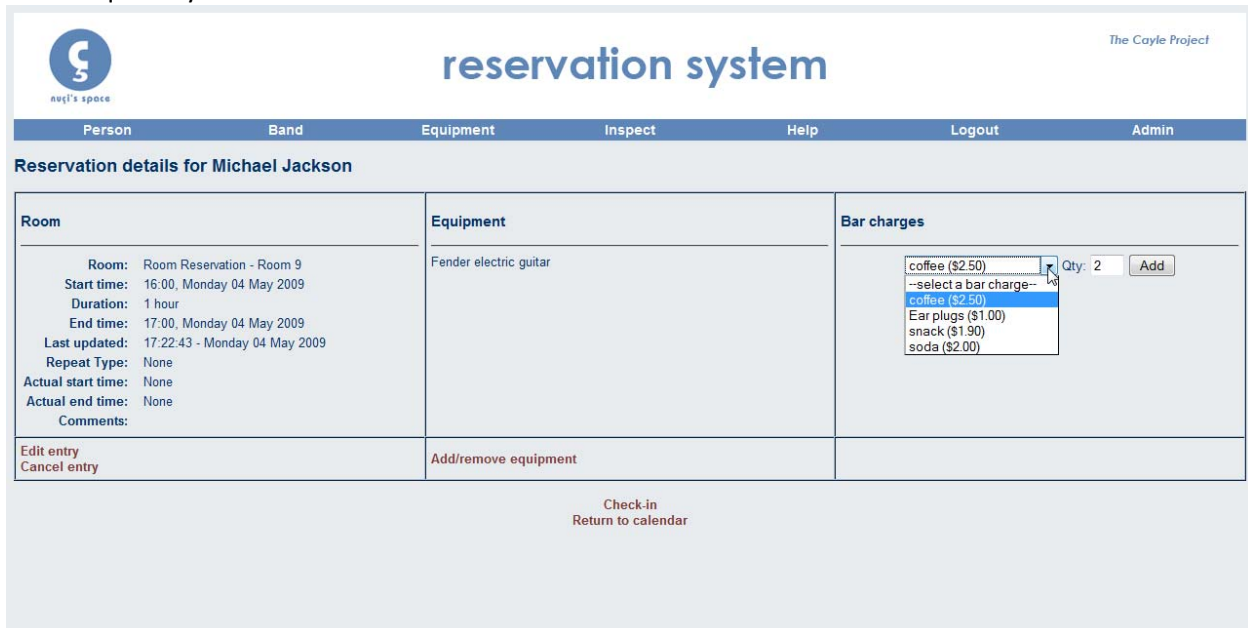

The screenshot shows the 'reservation system' interface. At the top, there is a logo for 'nuçi's space' and the text 'The Cayle Project'. Below the logo is a navigation bar with links: Person, Band, Equipment, Inspect, Help, Logout, and Admin. The main section is titled 'List of available equipment'. It contains a table with the following columns: Type, Manufacturer, Model, Description, In_house only?, Rental/day, Rental/hr, and Select. The table lists two items: a Fender electric guitar and a Martin acoustic guitar. The Fender guitar has a checked box in the 'Select' column, and the Martin guitar has an unchecked box. Below the table are 'Back' and 'Next' buttons.

Type	Manufacturer	Model	Description	In_house only?	Rental/day	Rental/hr	Select
guitar	fender	fe123	Fender electric guitar	Yes	\$3.00	\$5.00	<input checked="" type="checkbox"/>
guitar	martin	strat	Martin acoustic guitar	No	\$15.00	\$5.00	<input type="checkbox"/>

Back Next

The equipment now shows in the equipment info box. Choose a bar charge from the dropdown box, enter a quantity and click Add.

The screenshot shows the 'reservation system' interface with the 'Reservation details for Michael Jackson' section. It is divided into three main columns: Room, Equipment, and Bar charges. The Room column contains details about the reservation, including Room, Start time, Duration, End time, Last updated, Repeat Type, Actual start time, Actual end time, and Comments. The Equipment column shows 'Fender electric guitar'. The Bar charges column has a dropdown menu with options: coffee (\$2.50), --select a bar charge--, coffee (\$2.50), Ear plugs (\$1.00), snack (\$1.90), and soda (\$2.00). The quantity is set to 2, and there is an 'Add' button. At the bottom, there are links for 'Edit entry', 'Cancel entry', 'Add/remove equipment', 'Check-in', and 'Return to calendar'.
